I think that practising sports regularly can help people and especially teenagers to improve their skills and self-confidence. Sports nowadays is becoming more popular and people started to care about their health more than ever. Regular exercising helping to keep your body in a good shape and this is one of the reasons that making sports and regular activities like diets with healthy food becoming more popular.

Practising sports helping people to communicate with each other. More and more people started practising in the gym. Gym now is one of the most popular places that people visiting in their day-to-day life. Communication and chatting with someone while exercising is one of the best ways to make friends. Exercising alone can be boring, but if you got a company of friends or good music in your playlist this is gonna help you to feel yourself more comfortable and confident.

I think that sports and regular exercises making you better if you giving all of yourself to this. Exercises helping people if those people doing sports regularly and got more patience. Sports is not only fun, it's also important to your health and personal traits. People should understand that sport is really important in our lives and start to take care about themselves.
